

Skookum FPC Survey Breakdown: 33 responded, to most of the questions.

Survey dates: Nov. 14, 2011 to Dec. 21, 2011

Why did you join Skookum?

Which Skookum activities have you been involved with since you joined?

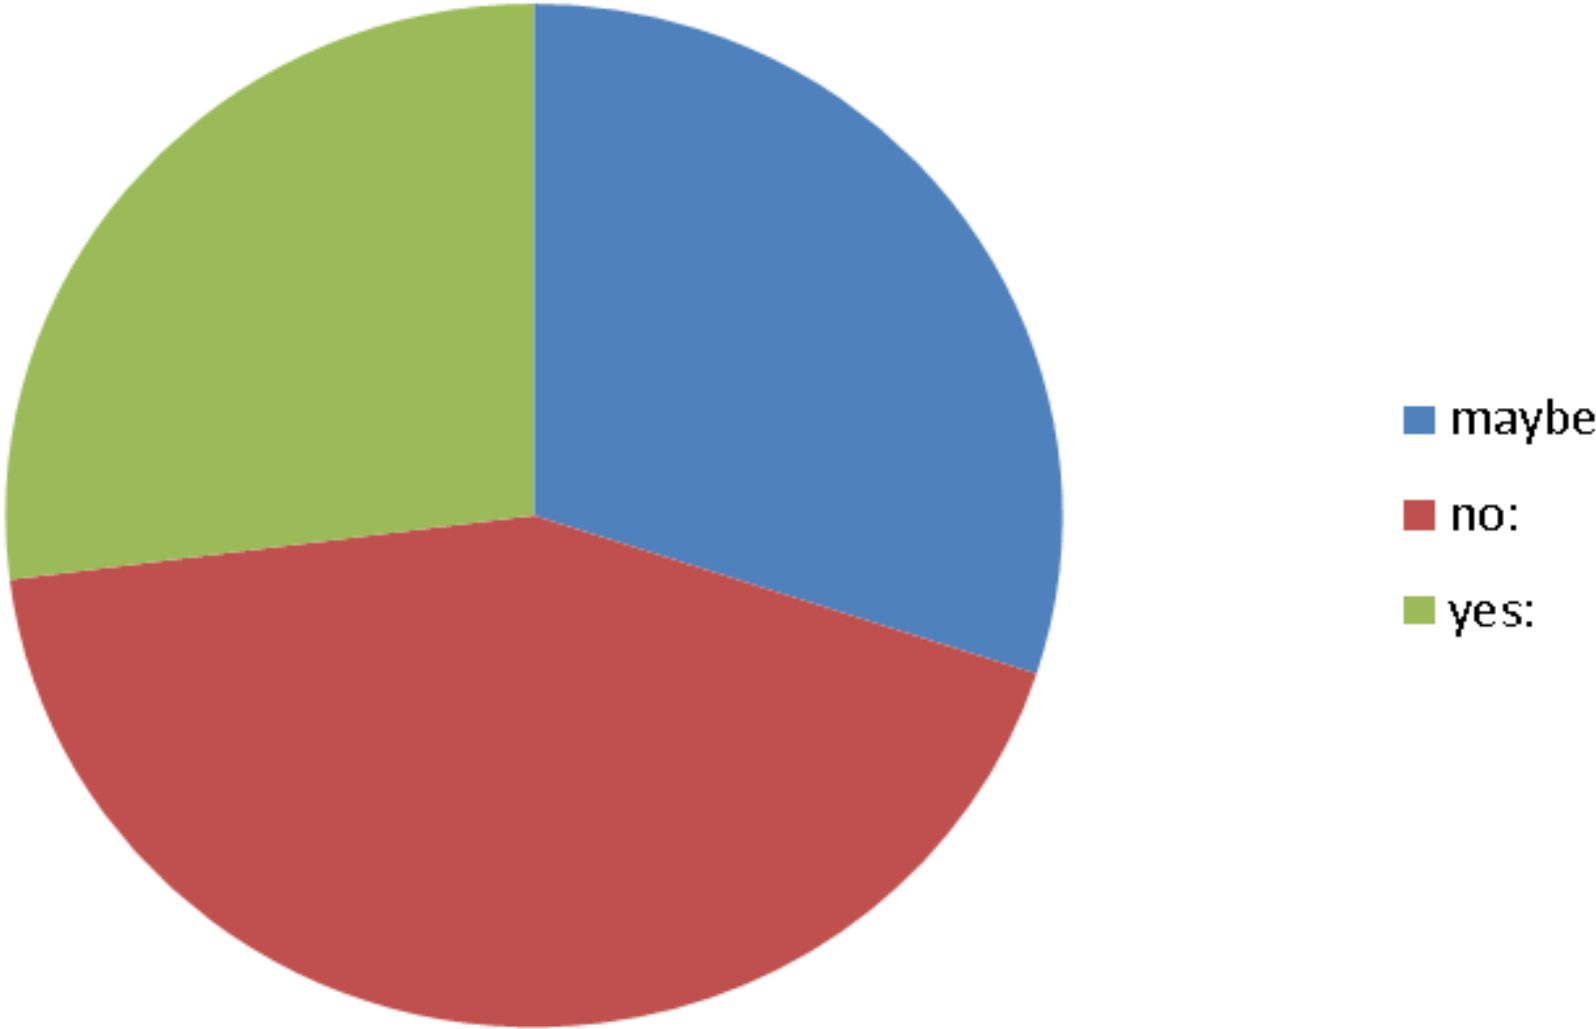

* AGM = "Annual General Meeting"

What kinds of projects or activities would you like to see Skookum?*

**The larger the word, the more often it appeared in the survey results.

Would you consider offering a project or workshop to our membership?

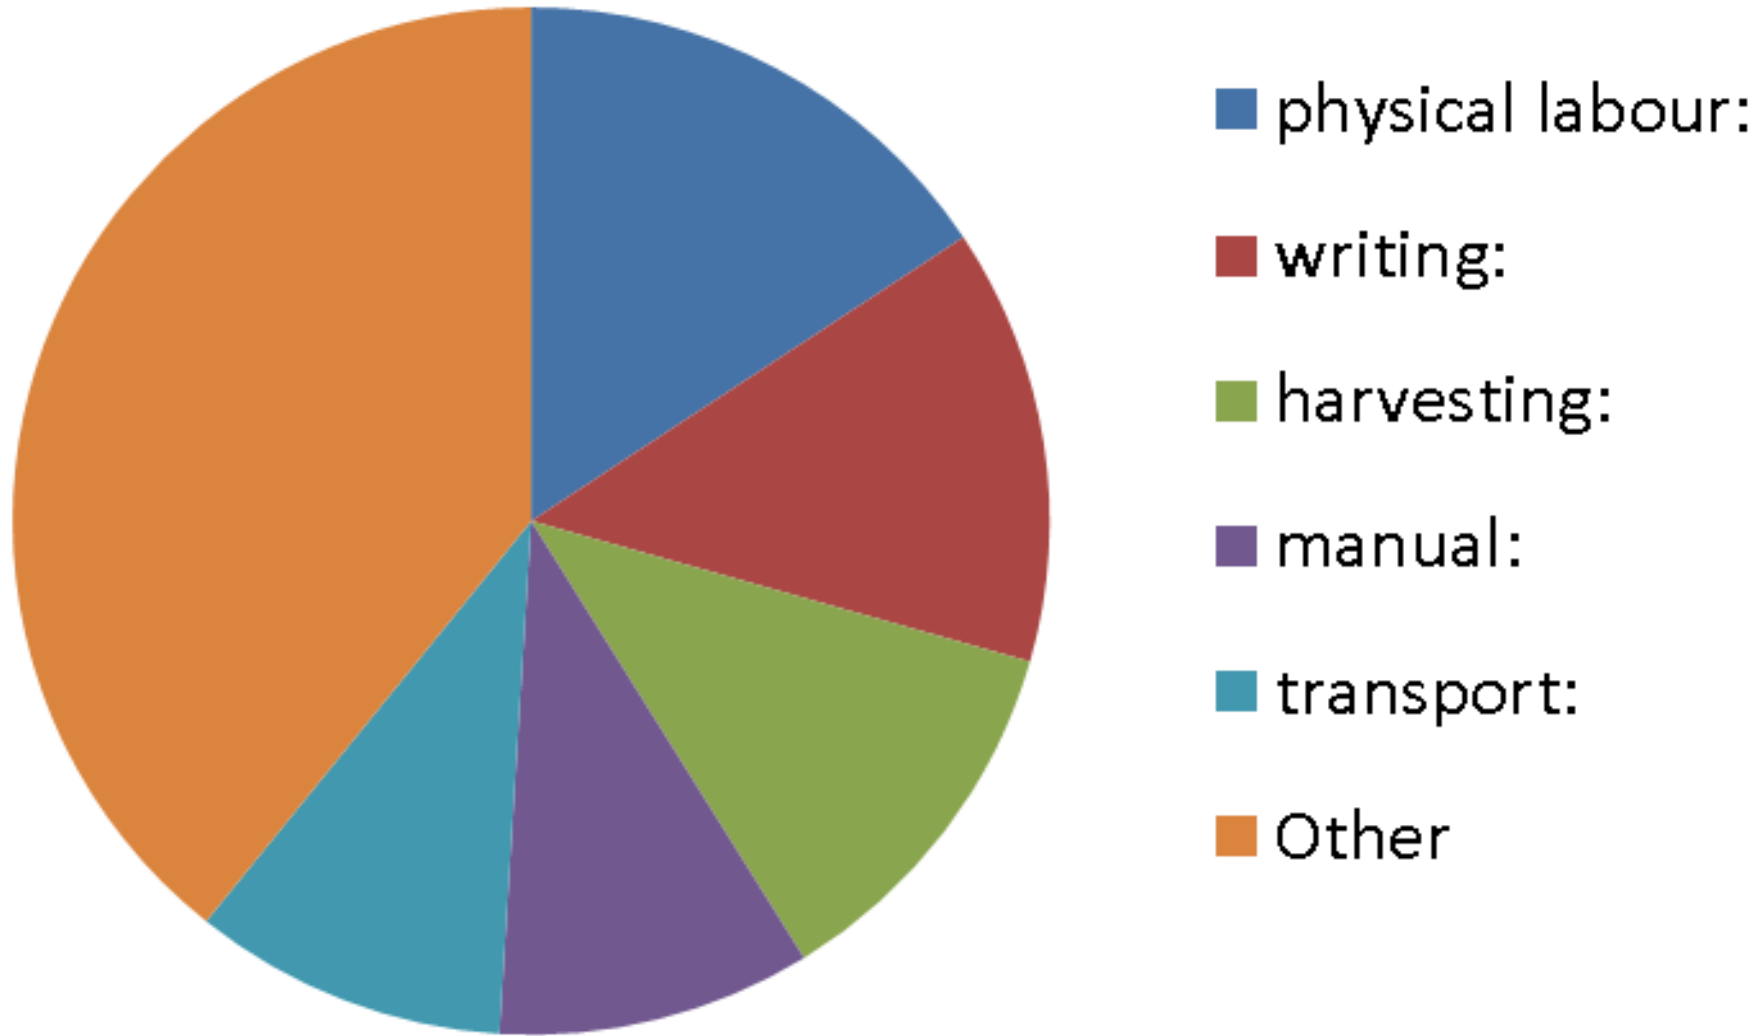

Here is a look at the types of workshops the “yes” group said they could teach:

A word cloud of workshop topics. The words are arranged in a roughly rectangular shape, with varying font sizes and colors. The colors include shades of green, yellow, orange, red, and purple. The words are: plant, info, teas, shellfish, canning, building, preserving, compost, greenhouse, alternative, pruning, tapping, syrup, maple, wild, forage, shared, talk, and food.

plant info teas
shellfish canning
building preserving
compost greenhouse
alternative pruning tapping
syrup maple wild forage
shared talk
food
