

Home Tanning Workshop Part 2

With Hana Turtle Granny and Jacqueline Huddleston

For hunters, homesteaders, craftsmen, seamstresses & those with a serious intent to learn the basics of home tanning leathers and furs

This second workshop will focus on the techniques used to “break” the tanned hide

We will also introduce you to working with larger hides, including: deer, goat and sheep

If you missed the first workshop “green” hides (untanned) will be available to practice fleshing, with instruction

We recommend: Tan Your Hide, by Phyllis Hobson
